

# Process Flow for OEM/PSU Registration and Approval

## Step1 -

The user opens the MCLS website, where the **Registration** and **Login** buttons are available on the homepage.

## Step2-

The user registers by filling out all required details in the registration form.

The screenshot shows the 'OEM/PSU Registration' form. The form is titled 'OEM/PSU Registration' and is divided into three main sections: 'OEM/PSU Details', 'Contact Person Details', and a captcha section. The 'OEM/PSU Details' section includes fields for 'OEM/PSU Name', 'Address', 'No. of Suppliers', 'Regional DFO Jurisdiction', 'State', and 'Select DFO'. The 'Contact Person Details' section includes fields for 'Name', 'Email Id', 'Phone No.', and 'Designation'. There is also a section for 'Upload OEM Certificate' with a 'Choose File' button and a 'No file chosen' message. At the bottom, there is a captcha image with the text '92-36=?', a 'Refresh' button, and a text input field for 'The answer is'. A green 'REGISTER' button is located at the bottom right of the form.

### Step3-

Upon successful registration, login credentials are sent to the user's registered email address. The user can then log in using these credentials.
